

PEOPLE OF PRAISE  
COMMUNITY

Dear Members, Supporters and Friends,

Easter greetings to you and your families in the name of our risen Lord.

I write to you concerning a situation that has developed over a number of years. Friday nights have become less practical as meeting night for many of our members. A wide range of reasons have been advanced regarding this issue, ranging from family to work challenges.

While Friday nights remain ideal for some, Saturday evenings however is emerging as a more viable option for most members. As a result we have decided to switch to Saturday evenings at 4:30 pm starting this Saturday 2nd May 2009 until Pentecost on a trial basis. Thereafter the situation will be examined at the next prayer meeting to determine the way forward.

I would like to take this opportunity to thank you for your faithful support which has helped to sustain the work of renewing the church through our efforts. This year we celebrate our 20th anniversary and we can all look forward to celebrating this milestone. Hope to see you at our next prayer meeting!

May the Lord Bless and keep you and your family.

Sincerely,

Br. Winston,  
Council of Elders,  
Service Team.
